

I respectfully request that you do not introduce Low Power FM (LPFM) in our community. K-LOVE has impacted me as a resident and the local community as well in a very positive and uplifting manner. It would be tragic to lose the ability to listen to K-LOVE. I listen to it every morning & evening and it provides me peace and encouragement. Our community would suffer a great loss if K-LOVE was displaced by an LPFM broadcaster providing other programming. The value of K-LOVE's service provides family-friendly programming and supports wholesome values which we all need in today's times. Thank you for your consideration.
